TO: Platting Board

THRU: Jerry T. Weaver, Jr., Zoning and Platting Administrator

FROM: Margaret O'Brien, Senior Planner

SUBJECT: S-11563-1 Views at Prominence – Postponement Request

The petitioner requests postponement of the above referenced case for additional time to satisfy the concerns and issues raised during review of the preliminary. The postponement request did not specify a new public hearing date. The case will be rescheduled based on meeting the cut-off date to allow adequate time to advertise the new public hearing date and mail new public hearing notices.
